

824 MULTI STROBE

Medium Profile - Double or Quad Flash

Model 824-1228 - \$203.71
(Amber, Blue, Clear, Green or Red)
(6.75" tall x 5.5" dia. x 2.2lbs)

Accessory: G800 - Heavy Duty Guard

The model 824 family is a medium profile, multi-flash strobe light which can be changed by the customer from double flash to quad flash operation. It features universal mounting, full size 360° Lexan® lens, hi-efficiency regulated solid state power supply, and heavy duty xenon strobe lamp. DC units have polarity protection and built-in filters to protect against radio interference and spike voltages. AC units are designed to withstand multiple line transient spikes of 6000V without damage. The model 824 strobe features a fully potted, Lexan®, multi-purpose mounting base which is vibration and water resistant, and has a plug-in strobe lamp and photocell which can be activated to automatically reduce intensity during nighttime operation.

MICRO IV

Low Profile - Single Flash Strobe

470S-1280 (Surface Mount) - \$59.56
485S-1280 (Screw-in Light bulb base) - \$59.56
